.....

Emergency contact details

Please provide details of another person who should be contacted if, in an emergency, we are unable to contact you.

Name: Relationship:

Phone: Mobile:

Declaration and consent – By signing below you give your consent to, and agree with, the following:

Respect code of conduct – You support the Club's commitment to The FA Respect campaign and will follow the code while involved with Tonbridge Invicta FC.

Medical emergency – In the unlikely event of an emergency, and being unable to contact you or your nominated adult, please sign below to provide your permission for a representative of TIFC to give any written form of consent required by a hospital, medical or dental authority, if delay in obtaining your signature is inadvisable by the doctor, dentist or surgeon. (In such an eventuality every effort would, of course, be made to contact you or your nominated emergency contact). I **do/do not** give permission for a representative of TIFC providing medical consent in the above circumstances.

Image consent – I understand that representatives of TIFC may take images of my child for promotional or training purposes. These images may appear in printed publications, website, social media, video or other promotional material associated with the Club. We will never include full names or personal details with any related image without good reason or requesting further parental consent. I **do/do not** give permission for images of the above child to be used by TIFC for the purposes listed above.

The information contained within this form is used to ensure efficient operation of the Club and facilitate timely delivery of information. Information regarding members will be held on a database and used for Club purposes only. GDPR applies.
